Dear Sir;

AUG 1 1978

(675)

This letter comes as a request to you. Would you kindly look into the actions of the Rev. Jim Jones, Pastor of "the Peoples Temple" and find out if persons under his leadership are being denied their human and/or legal rights. Jones moved his temple to Guyana along with many Americans, at a time when Washington Reporters were investigating him on a large scale.

Kindly inquire into the validity of this man's actions; he will be doing a great service to many persons who still love their freedom!

Sincerely,

36
